<p>Background</p> <p>This list was created in order to give you an inside look into Brazil's venture capital ecosystem. Help us provide more accurate data and let the world know what great potential this ecosystem holds. This is a one-stop shop if you are fundraising from VCs for your company in Brazil or would like to understand the Brazilian startup ecosystem better.</p>									
<p>Pitching etiquette</p> <p>When a startup is mentioned as part of a portfolio, exit, or funding, it means they're located in Brazil. We do not present startups in this database that are outside of Brazil, even if their investor was from Brazil.</p>
