Notes:

Corrected Total is the voter turnout corrected to remove faculties with no candidates running, to give us a better idea of actual turnout of eligible voters in that election

Indicates that no candidates ran for Council or GFC in that election

Faculties have high voter turnout in spite of no candidates when the Faculty Association runs its Executive election through the SU at the same time

Faculty/campus names have changed over time - the names here reflect the most up-to-date name of each faculty, and may not be reflective of a faculty's historical name or structure

*Augustana runs their Councillor election at the same time as the SU Executive, and only runs a candidate in this election if one is not chosen in the Executive Election
