Questions and answers pertaining to the tender procedure

Retrieved on: 21/01/2019

#	Date	Questions	Answer
-03#1	2016-08-19	Lot 1 "Audit Techniques for Flight Operations" - The mock audit of 1 day, is that at the premises of a real AOC holder that you provide or should the provided training material contain an exercise of an imaginary AOC which lasts one day?	It should be at a real AOC. If any of the documents are required this can be provided in advance to the Contractor that is selected.
-01/02#1	2016.05.11	When should these training courses be delivered, in which period or months?	We expect to complete all the training courses by October 2016. The exact timing can be negotiated.
-01/02#2	2016.05.11	May we submit the content of Envelope B also in the format of a USB stick or PDF document attached to an email?	CDs should be sent if the electronic method is chosen as it is not possible to change the contents once it is written to the CD. Emails are not possible as then the bid opening time cannot be ensured.
-01/02#3	2016.05.11	Page 10: "In addition to the above the tenderer must provide the information concerning subcontracting as requested in section 1.5." should this read asin section 1.4.....?	This is an error. It should read 1.4.
-01/02#4	2016.05.11	Interim Payment: 15% of the total amount specified in I.3.1 " is it foreseen that this provision will be applied, and when yes how?	In this session we have some tenders that have multiple sessions. Should the Contractor wish to separate them out we can make the interim payment.
