<b>Notes on data creation:</b>										
Sources are individual org's annual reports, linked in Column B										
If there's a group, I've used that number										
Director's Pay is the total package, salary + pension etc										
DCMS grant in aid is as noted in the annual report										
I've basically looked for what appears to be the same numbers across all the annual report documents - that's mostly the Balance Sheet and Financial Statements										
If I've left a cell (or row, in the case of the BBC) blank, that means it's too hard for me to find or process or put into this structure										
Blog post, if you have comments! <a href="https://goodformandspectacle.wordpress.com/2020/07/08/arms-length-data/">https://goodformandspectacle.wordpress.com/2020/07/08/arms-length-data/</a>
