\* Some of these will take more time than others to breed. In the Information section, (\*) means "I have the parents ready". (\*\*) means "I have to breed up a few IVs/eggmoves and it shouldn't take long". (\*\*\*) means "Please understand".

\* If there are listings under "Other Pokeballs" and you care which ball it's in, please specify. Same with egg moves.

\*\* Natures are not set, I can pretty much breed any Nature you want on any Pokemon.
