

2016 U-M Social Impact Challenge - Team Finder Instructions

This tool should assist students searching for teams, as well as teams who may be looking for additional members. Fill out the fields below, review others' details, and reach out to potential teammates who may fit your team goals.

Please update your status if it changes. Once you have joined a team and registered, please remove your information from the TeamFinder.

Please note: You may register a team even if you are still looking for members. The deadline to register is 9am on Wed, Jan. 20, 2016.

If you are having trouble locating a teammate member, contact us at socialimpactchallenge@umich.edu. We can assist with last minute matchmaking.
