Category	More Information	Data Sources
Sports & Activities	The number of sports and related activities currently available to students.	The Complete University Guide
BUCS Competitive Sports Rank	A ranking based on a university's combined results across all competitive sports, awarded by British Universities and Colleges Sport (BUCS). Universities which didn't feature in the ranking were put in joint last place.	The Complete University Guide
Food Science Rank	A ranking of the best universities for Food Science subjects, including Nutrition, Dietetics and Food Safety, based on entry standards, student satisfaction, research quality, research intensity and graduate prospects. Universities which didn't feature in the ranking were put in joint last place.	The Complete University Guide
Sports Science Rank	A ranking of the best universities for Sports Science subjects, including Sports Technology, Sports Coaching and Sports Studies, based on entry standards, student satisfaction, research quality, research intensity and graduate prospects. Universities which didn't feature in the ranking were put in joint last place.	The Complete University Guide
Good Health & Wellbeing Rank	A ranking of universities assessed against the United Nations' Sustainable Development Goal 3 - Good Health & Well-being. The assessment includes universities' research on key diseases and conditions, their support for healthcare professions, and the health of students and staff. Universities which didn't feature in the ranking were put in joint last place.	Times Higher Education
Gyms & Leisure Centres per 100k population	Total relates to the town or city a university is based.	HuntDown Fitness
Average Gym Membership	Average cost relates to the town or city a university is based.	HuntDown Fitness
Physically active adults	The percentage of adults in the town or city a university is based who undertake the recommended minimum of 150 minutes of physical activity per week.	Public Health England, the Scottish Health Survey, Cardiff and Vale University Health Board and Swansea Council.
Average population per park or public garden	Average figure relates to the town or city a university is based. Locations with the lowest figures, and therefore the least crowded green spaces, were scored highest.	Office for National Statistics
Average number of parks or public gardens within 1,000m radius	Average figure relates to the town or city a university is based.	Office for National Statistics
Air Pollution (Fine particulate matter $\mu\text{g}/\text{m}^3$)	Fine particulate matter is an air pollutant that is a concern for people's health when levels in air are high.	Department for Environment, Food & Rural Affairs and Public Health England
