Time Limited Funding Available	Extra Funding Available	Total Funding Available	Sheet last updated:
\$300.00	\$1,360.93	\$1,660.93	9/1/2024
<p>*Available funding is updated at the end of each month. Funding utilized in the past month may not yet be reflected, depending on when you check your balance.</p> <p>*Time Limited Funding must be used within the academic year (7/1-6/30). These funds will not roll over year to year. On 7/1 your chapter will receive new funding for the next academic year.</p> <p>*You may have Extra Funding which external partners, donations, or special programs provide. These funds will roll over from year to year. These funds will be reintroduced to the general pool if your chapter has been inactive for 3 years.</p> <p>*Refer to our website for more information regarding the funds provided each academic year or contact our team at programs@foodrecoverynetwork.org with questions.</p>

I had to commute back home to borrow my family's car then head to campus and load the food then transport it with the volunteers to the organization's site. This was a challenge because we had to make arrangements with the kitchen staff to ensure we got the food from the freezers. Despite all this, we did have our first food recovery and it was certainly a success since the organization that received the food was very appreciative, grateful, and excited.
