- [20] Usually listed in bisexual lists; however, I feel like pansexual would be a better fit. Not due to any explicit content in the novel itself but more-so due to the implicit nature of the characters and story.

- [22] Later in series
- [23] MC might be bi, but it hasn't been explicitly stated/confirmed
- [24] Two-Spirit Identity

Weaving the Web of Days

The Eighth Succession Children of the Eighth Day A Rose From Old Terra A Voice in Every Wind The Leaves of October The Curse of the Zwilling

[26] The characters vary from book to book in this set, so not all of these individuals are all in the same book with the same weight of POV and appearance.

See note under series name for further detail.

- [45] Takes place in the same setting as her 'Unquenchable Fire' but is otherwise not linked.
- [46] Urban/contemp and post-apocalyptic mashup
