Here's a summary of how the funds were utilized: Well-Rounded Education (4107) funds: 1. Renewed elementary teachers' subscriptions for early literacy programs to support reading and spelling instruction. 2. Supported high school students' participation in dual credit classes at Santa Fe Community College and purchased required textbooks. Safe and Healthy Students (4108) funds: 1. Provided high school teachers with professional development focusing on Social Emotional Learning. 2. Facilitated high school collaboration with the Center for High School Success, focusing on supports for 9th-grade students. 3. Purchased Parent Square communication tools for the entire district. 4. Organized family engagement activities for Pre-K-2 students. 5. Utilized carry-over funds to purchase AEDs for athletic coaches. These initiatives cover a broad spectrum of needs, from academic support to social-emotional learning and safety measures, indicating a comprehensive approach to student well-being and success.	All objectives outlined in the 2022-2023 application were met utilizing the original funding award. As a result of receiving carry-over funds, we exceeded our expectations with the purchasing of the AEDs.	Exceeded	The original awarded amount was designated to enhance academic performance by providing resources for teachers and students. The carry-over funds were then used to purchase Automated External Defibrillators (AEDs) to assist in the event of a cardiac-related medical emergency.	Exceeded

									<p>Elevating Student Success: Truth or Consequences MSD Grant Narrative (2022-2023)</p> <p>Introduction: The Truth or Consequences Municipal School District (TCMSD) is proud to share a narrative detailing the impactful initiatives and transformative experiences funded through the Student Supports and Academic Enrichment Grant during the 2022-2023 school year. With a steadfast commitment to fostering academic excellence, equity, and student well-being, TCMSD leveraged this grant to implement a diverse array of programs and interventions aimed at empowering every student to reach their full potential.</p> <p>Expanded Learning Opportunities: Through the grant funding, TCMSD was able to offer a wide range of expanded learning opportunities designed to enrich students' academic experiences and foster holistic development. These initiatives included after-school tutoring programs, summer enrichment camps, and weekend workshops focused on STEM education, literacy enhancement, and college and career readiness. By providing students with access to high-quality, engaging learning experiences beyond the traditional school day, TCMSD sought to narrow achievement gaps, cultivate a love for learning, and ignite students' curiosity and passion for exploration.</p> <p>Social and Emotional Support Services: Recognizing the critical importance of supporting students' social and emotional well-being, TCMSD utilized grant funds to implement comprehensive social and emotional support services tailored to meet the diverse needs of its student population. These services included counseling and mental health resources, social-emotional learning curricula, and peer mentoring programs. Additionally, TCMSD partnered with community organizations to provide wraparound services, such as access to food pantries, healthcare resources, and housing assistance, ensuring that students and their families had the support they needed to thrive both inside and outside the classroom settings.</p> <p>Technology Integration and Digital Literacy: In an increasingly digital world, TCMSD prioritized technology integration and digital literacy as essential components of student success. Grant funding enabled the district to invest in cutting-edge educational technology tools, such as interactive whiteboards, mobile devices, and educational software applications, to enhance classroom instruction and facilitate personalized learning experiences. Furthermore, TCMSD provided professional development opportunities for educators to strengthen their digital teaching skills and incorporate technology seamlessly into their pedagogical practices, empowering them to effectively leverage digital resources to meet the diverse needs of their students.</p> <p>Parent and Community Engagement: Recognizing the importance of collaboration between schools, families, and communities in supporting student success, TCMSD fostered robust parent and community engagement initiatives through the grant funding. These initiatives included family literacy nights, parent workshops on topics such as college preparation and financial literacy, and community forums to solicit input and feedback on district policies and programs. By building strong partnerships with parents, caregivers, and community stakeholders, TCMSD aimed to create a supportive ecosystem that nurtured students' academic, social, and emotional growth both at home and at school settings.</p> <p>Conclusion: In conclusion, the Truth or Consequences Municipal School District is proud to have leveraged the Student Supports and Academic Enrichment Grant to implement a comprehensive array of programs and interventions aimed at elevating student success and fostering holistic development during the 2021-2022 school year. Through expanded learning opportunities, social and emotional support services, technology integration, and parent and community engagement initiatives, TCMSD</p>			
									<p>Empowering Excellence: Objectives for Student Support and Academic Enrichment Activities (2022/23)</p> <p>Introduction: The Truth or Consequences Municipal School District (TCMSD) is committed to providing every student with the resources, support, and opportunities they need to achieve academic success and personal growth. Through the Student Supports and Academic Enrichment Grant (SSAE) for the 2022/23 school year, TCMSD outlined ambitious objectives aimed at leveraging grant funds to enhance student learning experiences, foster equity, and promote holistic development across all grade levels, PK-12.</p> <p>Objective 1: Narrowing Achievement Gaps One of the primary objectives of the SSAE grant activities was to narrow achievement gaps among student subgroups by providing targeted academic support and enrichment opportunities. TCMSD aimed to identify and address disparities in academic performance, particularly among historically marginalized and underserved student populations, through evidence-based interventions, such as differentiated instruction, small-group tutoring, and personalized learning pathways. By equipping students with the tools, resources, and support they need to succeed academically, TCMSD sought to create a more equitable learning environment where all students have the opportunity to thrive.</p> <p>Objective 2: Enhancing Social and Emotional Well-Being Recognizing the importance of supporting students' social and emotional well-being, TCMSD prioritized initiatives aimed at promoting mental health, resilience, and positive social-emotional development. Through the SSAE grant activities, TCMSD implemented comprehensive social-emotional learning (SEL) curricula, provided access to counseling and mental health services, and facilitated peer support groups and mentorship programs. By nurturing students' social-emotional skills and resilience, TCMSD aimed to create a supportive and inclusive school climate where every student feels valued, safe, and empowered to succeed.</p> <p>Objective 3: Integrating Technology for Enhanced Learning In an increasingly digital world, TCMSD recognized the importance of integrating technology into classroom instruction to enhance student engagement, collaboration, and learning outcomes. As part of the SSAE grant activities, TCMSD invested in technology infrastructure upgrades, provided educators with professional development opportunities to enhance their digital teaching skills, and facilitated the integration of educational technology tools and resources into curriculum design and delivery. By leveraging technology to support personalized learning experiences and facilitate access to digital resources, TCMSD aimed to equip students with the 21st-century skills they need to thrive in an ever-changing world.</p> <p>Objective 4: Fostering Family and Community Engagement TCMSD understands that strong partnerships between schools, families, and communities are essential for student success. Therefore, another key objective of the SSAE grant activities was to foster meaningful family and community engagement initiatives aimed at building trust, collaboration, and shared responsibility for student learning and development. TCMSD organized family engagement events, parent workshops, and community forums to solicit input, feedback, and support from parents, caregivers, and community stakeholders. By creating opportunities for families and communities to actively participate in the educational process, TCMSD aimed to create a cohesive support network that enhances student learning outcomes and promotes positive school-community relationships.</p> <p>Conclusion: In conclusion, the objectives outlined for the Student Supports and Academic Enrichment Grant activities for the 2022/23 school year reflect TCMSD's unwavering commitment to empowering excellence, fostering equity, and promoting holistic student development. Through targeted interventions aimed at narrowing achievement gaps, enhancing social-emotional well-being, integrating technology for enhanced learning, and fostering family and community engagement, TCMSD remains dedicated to providing every student with the support, resources, and opportunities they need to thrive academically, socially, and emotionally. As we continue our journey of educational excellence, TCMSD remains steadfast in its commitment to creating a learning environment where every student can reach their full potential and achieve success holistically.</p>
