The image shows a grid of graph paper. The grid is composed of small squares. Two vertical red lines are drawn across the grid, dividing it into three columns. The first column on the left is approximately 10 squares wide. The second column in the middle is approximately 10 squares wide. The third column on the right is approximately 80 squares wide. The red lines are positioned at the 10th and 20th vertical grid lines from the left edge of the grid.

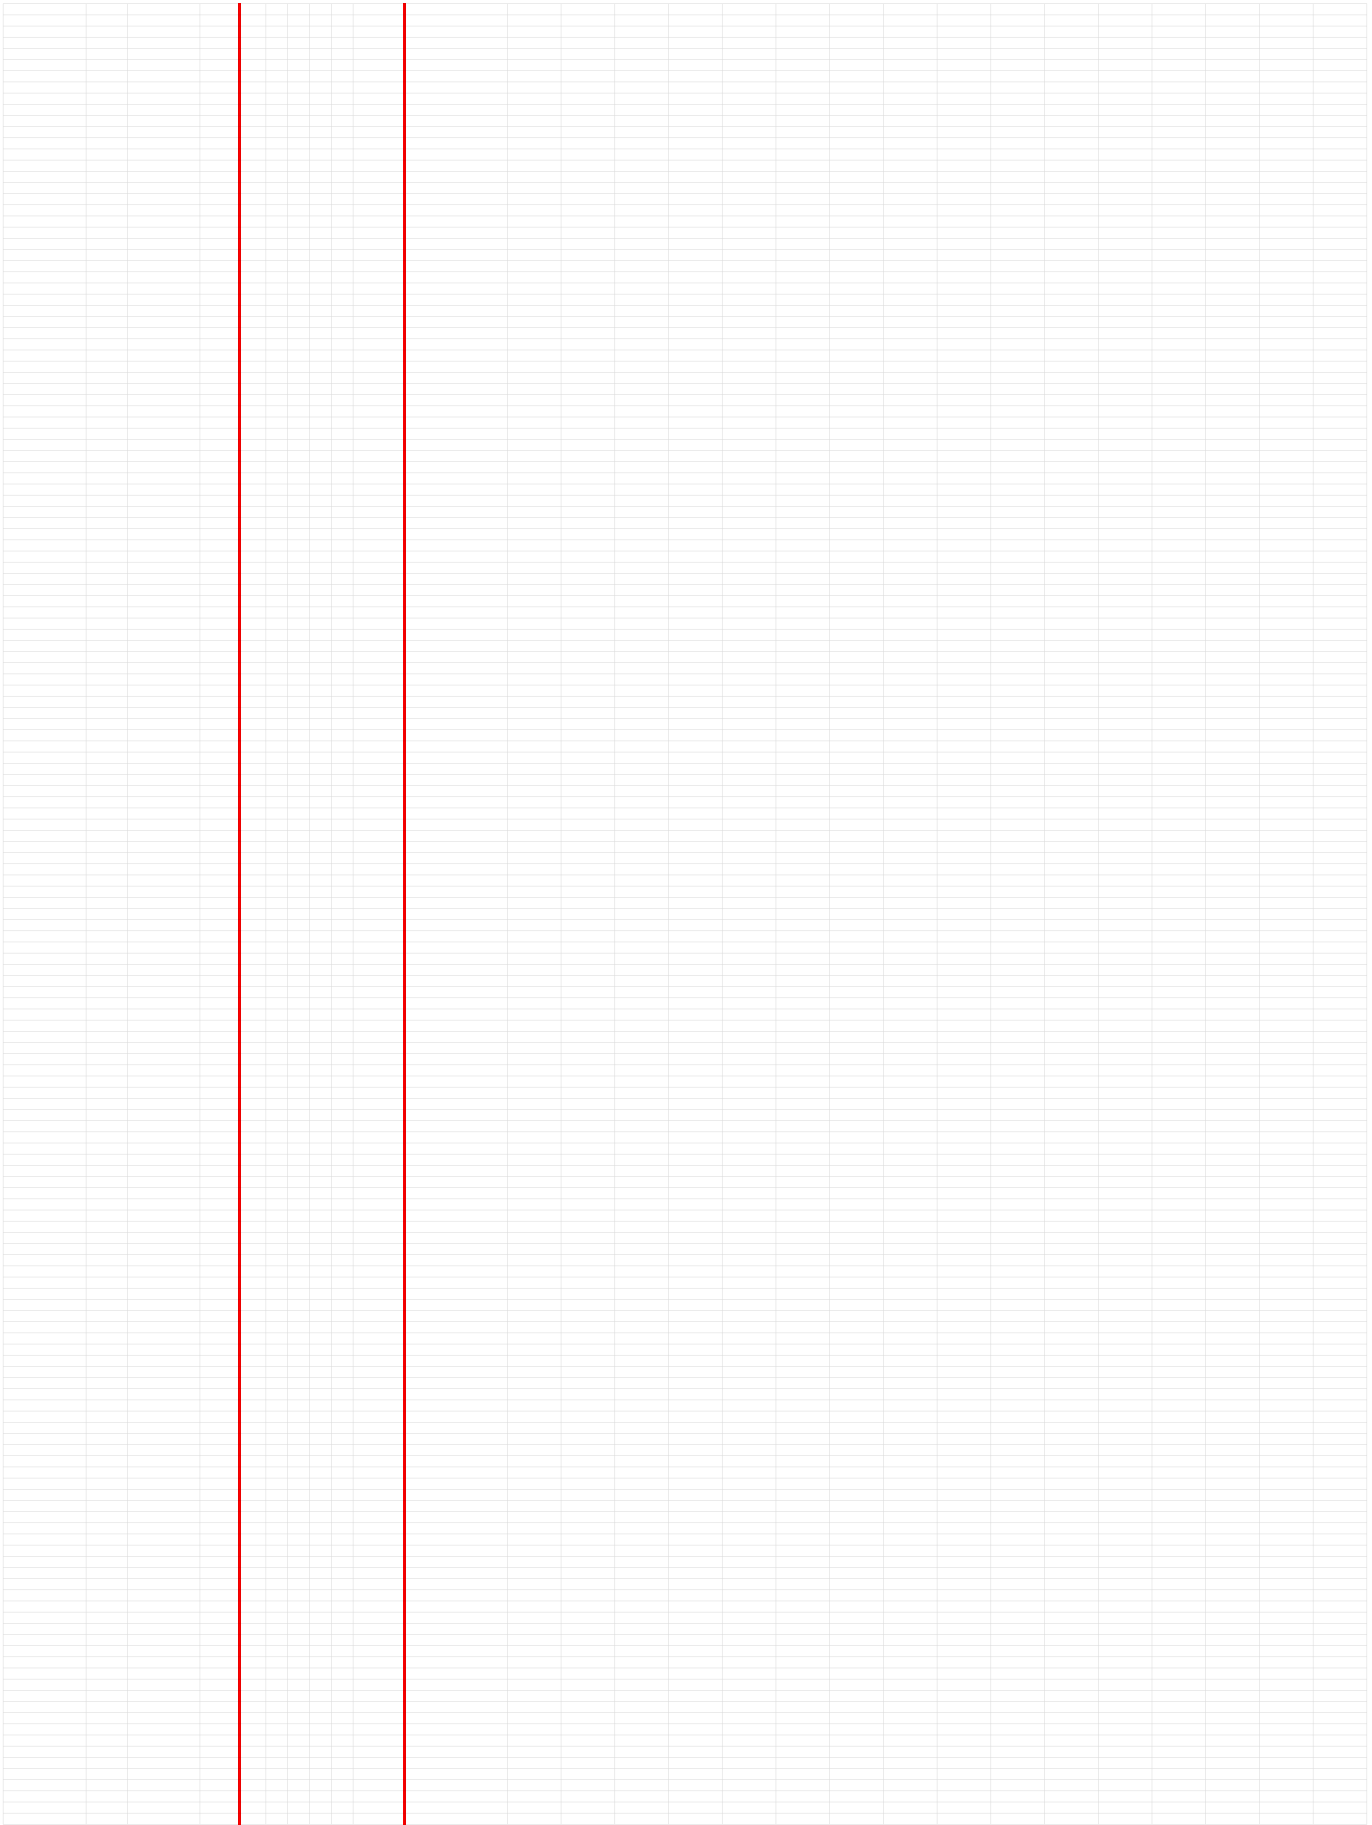

Risk Index, multiply by 81
