Let me show you how to keep the dice rolling

When your doing that thing over there homie

Let's go!

Cause I feel like I'm running

And I'm feeling like I gotta get away, get away, get away

Better know that I don't and I won't ever stop

Cause you know I gotta win everyday day, day, go!

See they don't really wanna pop me

Just know that you never flop me

And I know that I can be a little cocky

You ain't never gonna stop me

Every time I come a nigga gotta set it,

Then I gotta go, and then I gotta get it

Then I gotta blow,

And then I gotta shudder any little thing that nigga think he be doing

Cause it doesn't matter, 'cause I'm gonna ba ba ba ba

bang beats on my chest,

And I bang in the east, and I'm banging in the west

And I come to give you more and I will never give you less

You will hear it in the street or you can read it in the press

Do you really wanna know what's next? Let's go

See the way we on and we all up in the race and you know

We gotta go, don't try to keep up with the pace

We struggling and hustling and sending it and getting it

And always gotta take it to another place

Gotta taste it and I gotta grab it

And I gotta cut all through his traffic

Just to be at the top of the throne

Better know I gotta have it, have it
