Please disregard the timestamp, as it is reading the wrong date due to a firmware update on my camcorder. There are no backcuts and includes curtain call, near perfect audio that is synced with my Zoom H2.

You can't see the back of the stage very well and most (if not all) of the upper-boil / track is cut off. Little bit of washout but is mostly a pretty decent video! Act 1 is filmed in portrait but doesn't prevent you from seeing anything major. Issue is resolved in Act 2 and is filmed in landscape after.
Stranger Things: The First Shadow	West End	2024, June	Video (mp4)	Oscar Lloyd (James Hopper Jr.), Isabella Pappas (Joyce Maldonado), Christopher Buckley (Bob Newby), Calum Ross (u/s Henry Creel), Patrick Vail (Dr Brenner), Max Harwood (Alan Munson), Ella Katuna Williams (Patty Newby), Michael Jibson (Victor Creel), Tricia Adele-Turner (s/w Virginia Creel), Shane Atwood (Chief Hopper), Chase Brown (Lonnie Byers), Ammar Duffus (Charles Sinclair), Isaac Oryn (s/w Ted Wheeler), Florence Guy (Karen Childress), Matthew Fidgeon (Principal Newby), Danny Sykes (s/w Walter Henderson), Maisie Norma Seaton (Claudia Youtie), Kemi Awoderu (Sue Anderson)	A fantastic capture. This was filmed in the stalls and is a rather painful theatre to film in due to the poor rake on all levels. However, this recording only has one head in frame throughout and it doesn't block any of the actors or action. A few blackouts due to the people next to me leaving to go to the bathroom and then leaving early in the second act. The audio does contain some rustling as the child next to me was eating sweets or popcorn. It's annoying but not the worst. Filmed in wides and mediums. Recording includes the curtain call and marquee.

Benjamin (The Wizard), Sheryl Lee Ralph (Madame Morrible), Hannah Shankman (u/sNessarose), Zachary Noah Piser (Boq), Chad Jennings (Doctor Dillamond)	Beautiful HD capture of Jennifer's return to the role of Elphaba. Wind in the Willows the Musical	West End	2017, Unknown	Video (mp4)	Gary Wilmot (Badger), Craig Mather (Mole), Rufus Hound (Toad), Simon Lipkin (Rat), Neil McDermott (Chief Weasell), Denise Welch (Barge Woman / Mrs. Otter), Emilie du Leslay (Portia), Joshua Gannon, James Grant, Evan James, Michael Larcombe, Bethany Lindsay, Chris Avellett, Rossana Bates, Joel Baylis, Jenna Boyd, Abigail Brodie, Jorell Coiffic-Kamali, Nicole Deon, Ryan Pidgen, Adam Vaughan, George Westall, Natalie Woods	I have a suspicion this is a Youtube rip going by the slight blurriness of what I know was originally a beautifully crisp proshot. If anyone has any better quality files or knows more about this one, please let me know! Still, the loss of quality is minimal and the audio remains flawless.
Young Frankenstein	Broadway	2007, November 10th	Video (VOB + smalls)	Roger Bart (Dr. Frederick Frankenstein), Megan Mullally (Elizabeth Benning), Christopher Fitzgerald (Igor), Sutton Foster (Inga), Andrea Martin (Frau Blücher), Shuler Hensley (The Monster), Fred Applegate (Inspector Hans Kemp/Hermit)	The changes from Seattle tighten up the show. Also includes Transylvania Mania, Roll in the Hay, and Together Again as performed on the Today Show.
