Thank you to Nick Bousquet for sharing the files he made for his students back to us so that other students could explore them!	
Source: https://www.pro-football-reference.com/years/2019/passing.htm	
Column Titles:	
cmp: passes completed	
att: passes attempted	
cmp %: percent of passes completed	
yds: yards gained	
TD: passing touchdowns	
Int%: percentage of times intercepted when attempting to pass	
Y/A: adjusted yards gained per pass attempted	
Y/C: yards gained per pass completion	
Y/G: yards gained per game played	
Sk: times sacked	
This file was cleaned by:	
- Deleting 16 columns of stats.	
- Adding a Boolean Column for whether or not the player was selected to ProBowl	
- Individually adding all of the positions missing from the dataset
