Current UK Children's and Teen Titles	- November 20	122																
A "snapshot" of titles on sale this week aimed	at children and t	eenagers availabl	e through indepen	dent newsagents,	WHSmith and so	ome supermarkets.	Not all these title	s are "comics" in	the traditional ser	se, such as 2000.	AD, Beano and Ph	oenix, that is title	s dominated by s	trip over features,	as was the case so	me decades past.		
This list is via the National Title File which pr	ovides publicatio	n information to	newsagents and d	istributors – and t	the publications a	are listed in the cate	gories they set. I	t should also be n	oted that the NTF	list sometimes sti	ill includes some "	legacy" titles no le	onger published,	and does not inclu	de a quarterly or	other low frequen	y title if not curre	ently on sale
