

## Supporting Phantoms

Player families are at the heart of the Glenmore Phantoms community. Every family is needed to contribute, to help the club keep games running for all our players.

It is important that players and their families contribute their time for these Canteen and Umpiring shifts - many hands make light work.

Refer to each tab in the spreadsheet for the relevant round.

## Umpiring

Each club is allocated games to provide umpiring support for, and these are distributed to each team to manage their cover between them. Teams are asked to provide a minimum of 1 base and 1 plate, and may choose to provide volunteers from amongst the team, or to collect funds together to engage one of the many trained club umpires for a paid shift, if one can be sourced. Your coach can provide direction on what is involved in volunteering for an umpiring shift and watch out for the club to run training. Base shifts are ideal for new volunteers and you will be well supported by players and officials.

**Failing to cover your allocated umpire duties will result in a financial penalty for your team, and repeated lapses will also incur a loss of points.**
