

BPSC 2024 Category	Group	Poster Entry	Presenters	Organisation	Poster title	Topic
QI in Progress	L - 2nd Place	267	Aditi Pandey and Rose Meddings	Imperial College Healthcare NHS Trust	Improving the use of hearing and vision aids on a general medical ward	Older patients care
Patient Safety Audit	P - 2nd Place	212	Nadia Yousef	Aneurin Bevan University Health Board	PE- is it really? Assessing Adherence to NICE Guidelines in Clinical Practice	Improving care pathways
Patient Safety Audit	N - 1st Prize	301	Evangelos Anastasakis	St Georges	Assessing compliance to the pre-operative Cardiac Enhanced Recovery After Surgery (ERAS)	Emergency care and surgery
Patient Safety Audit	P	192	Dr Ishrat Hussain	Basildon University Hospital	Biodegradable temporising dermal matrix graft for open foot wounds, audit from a tertiary vascular unit	Improving care pathways
Full QIP	B	94	Dr Muhammad Ibraheem Zaid	Belfast Health and Social Care Trust	Improving Discharge Letter Documentation of Target Oxygen Saturations for Respiratory	Improving care pathways
QI in Progress	E	215	Dr Muhammad Waleed Khan, Dr Sawera Tahir	Betsi Cadwaladr University HB N Wales - HEIW	Enhancing Discharge Letter Completion And Issuance In The Acute Medical Unit	Flow and efficiency
QI in Progress	H	304	Dr Muhammad Ilyas	Betsi Cadwaladr University Health Board	Optimization of Pain Management in Acute Medical Unit: A Multidisciplinary QI Initiative	Improving care pathways
Patient Safety Audit	F	320	Dr Odunayo Oyedele	Blacketts Medical Practice	Antibiotic prescribing for sore throat presentations in General Practice	Primary care
QI in Progress	K	63	Dr Faris Chater, Dr Bilal Tailor	Blackpool Teaching Hospitals NHS FT	Improving implementation of Wells Score for suspected VTE	Improving care pathways
QI in Progress	J	132	Dr Charis Banks	Bristol Royal Infirmary	Quality Improvement for Foundation Doctors and Doctors in Training in the South West	Education and training
Patient Safety Audit	P	312	Dr Lucy Andrews, Dr Polly McGrath, Dr Zarnab	Bristol Royal Infirmary	Improving Assessment and Management of Acute Sore Throat in the BRI Emergency	Emergency care and surgery
QI in Progress	J	36	Tamara Lewis, Cadi Nicholas	Cardiff and Vale University Health Board	Malnutrition in geriatric inpatients; utilising the WAASP screening tool	Older patients care
Patient Safety Audit	G	266	Miss Megan Hodgson	Cardiff University School of Medicine	Lynch Syndrome Testing in Colorectal Cancer – An Audit of the Cardiff and Vale University HB	Improving care pathways
QI in Progress	L - 1st Prize	32	Dr Noah Stanton	Central & North West London NHS FT	Development of an Integrated Electronic Platform for ADHD Medication Initiation in Child and Adolescent Mental Health Services	Improving care pathways
QI in Progress	D - 1st Prize	62	Dr Mark Brewerton	Central and North West London NHS FT	Reducing the use of seclusion in an inpatient mental health setting	Improving care pathways
QI in Progress	K - 2nd Place	286	Africa Socorro	Central North West London Trust	Providing the Right Care at the Right Time for Adolescents	Children and young people
QI in Progress	C	128	Dr Amber Champion, Dr Alisdair Love	Chelsea and westminster NHS Trust	Improving the management of acute upper gastrointestinal bleeding in the emergency department	Emergency care and surgery
Patient Safety Audit	N	133	Melissa Watters, Alice Worrall, Rahisha	Croydon Health Services NHS Trust	A Clinical Audit of Malaria Treatment in the Emergency Department	Emergency care and surgery
Patient Safety Audit	O - 2nd Place	117	Stacey Endacott & Aisly Osborne	Devon Partnership Trust	DPTS Staff Falls Training Quality Improvement Project	Education and training
Patient Safety Audit	G	177	Samuel Amo-Afulu	Dorset County Hospital	To assess the compliance of good documentation after urinary catheter insertion in patients at	Improving care pathways
Patient Safety Audit	G - 1st Prize	332	Adam Sheriff	East and North Hertfordshire NHS Trust	Improving care for the orthopaedic patient in the immediate postoperative period	Handover
Patient Safety Audit	M	333	Dr Carolina Barciela	East Lancashire Foundation Trust	Early recognition of deteriorating patients in general surgery ward	Deteriorating patient
Patient Safety Audit	Q	96	Dr Rosemary Ikegwu	East Lancashire Hospitals NHS Trust	Foreign Body Ingestion Management	Improving care pathways
Patient Safety Audit	O	241	Dr Camran Miah	East Lancashire Hospitals NHS Trust	DNAR: Are We Doing It The Right Way?	Other
Patient Safety Audit	G	223	Dr Rosemary Ikegwu	East Lancashire Hospitals NHS Trust	Hypertension In General Practice	Primary care
Full QIP	I - 1st Prize	229	Dr Jamin Koo	EAST SUFFOLK AND NORTH ESSEX TRUST	Quality Improvement Project on Remote Asthma Review in Primary Care	Community care
Patient Safety Audit	Q	37	Dr Martina Grech	Foundation Programme Malta	Primary HealthCare General Practitioners' antibiotic prescribing for Upper Respiratory	Primary care
Patient Safety Audit	M	250	Shifa Nazeer, Megha Limbu	George Eliot Hospital	VTE prevention compliance trust wide audit	Improving care pathways
Patient Safety Audit	Q	48	Dr Hannah Merrison	Gloucester Royal Hospital	Review of Chaperone Documentation in Surgical Clerking	Emergency care and surgery
Full QIP	A	81	Dr Elizabeth Emmett, Dr Jennifer Guy	Gloucestershire Health and Care NHS FT	Physical Health monitoring of children on antipsychotics within CAMHS	Children and young people
Patient Safety Audit	F - 1st Prize	158	Dr Natasha Hobbs-Lakin	Gloucestershire Health and Care NHS FT	Not so sweet: How can we improve diabetes guideline compliance in inpatient psychiatry?	Guideline compliance
QI in Progress	D	322	Prasanna Gemes Talha Nawaz, Abdelrahman	Gloucestershire Hospitals NHS Foundation	Improving patient safety by utilizing Cauda Equina Syndrome warning cards	Communication
QI in Progress	C	204	Dr Shweta Vythilingam	Gloucestershire Hospitals NHS Foundation	Improving Basic Urological Competencies Amongst Junior Doctors: A Quality Improvement	Education and training
QI in Progress	K	176	Amrit Gosal and Katherine Lloyd Jones	Gloucestershire Hospitals NHS Foundation	Emergency drug boxes: improving patient safety through standardization.	Emergency care and surgery
Full QIP	A - 1st Prize	313	Nitin Thakur	Great Ormond Street Hospital	'Why Aren't they on the System Yet?' From EPIC Fail to EPIC Win: Reducing new patient	Flow and efficiency
QI in Progress	C - 2nd Place	277	Dr Anusha Pachala, Dr Sylvia Kipkorir	Great Western Hospital	Opt-out HIV testing in acute internal medicine and the emergency department in a medium	Improving care pathways
QI in Progress	H	235	Dr Alexander Morgan	Great Western Hospitals NHS Foundation	Improving Engagement With Learning From Deaths	Improving care pathways
QI in Progress	D	238	Florence Kinder	Guy's and St Thomas' NHS Foundation Trust	Teams debriefs after cardiac arrest calls	Deteriorating patient
QI in Progress	E	135	Dr Simran Chhugani and Dr Katherine	Hampshire Hospitals NHS Foundation Trust	Development of an Induction Pack for Surgical SHOs at Royal Hampshire County Hospital	Education and training
Patient Safety Audit	O	160	Giles Chick	Hampshire Hospitals NHS Foundation Trust	Gentamicin prescribing and monitoring at Hampshire Royal NHS Foundation Trust	Medicines management
Patient Safety Audit	P	157	Dr Dalia Albaik	Hull University teaching hospital	neutropenic sepsis audit	Community care
QI in Progress	L	186	Dr Morgan Iqonmwosa	HULL UNIVERSITY TEACHING HOSPITAL	Improvement of documentation for advanced decisions	Improving care pathways
QI in Progress	K	236	Dr Samuel Stokes and Dr Natalie Jeffery	Hull University Teaching Hospitals NHS Trust	VTE Prophylaxis: A Regional Centre's compliance	Maternal care
Full QIP	B	179	Dr Jozsef Brunning	Imperial College Healthcare Trust	Improving completion rates of Treatment Escalation Plans for patients on a geriatric rehab	Older patients care
QI in Progress	D	297	Chioma Emenike	Imperial College London	Improving post-operative recognition and implementation of the 'Enhanced Colorectal Surgery	Community care
QI in Progress	D	298	Malab Balouch	Imperial Health Care Trusts- Charing Cross	Standardising the Management of Neurogenic Bowel Dysfunction: An Individualised Approach	Improving care pathways
QI in Progress	C	205	Dr Sophie Silvester	Imperial NHS Trust	Enhancing Bone Health Assessment for frailty-related fall admissions: A Quality Improvement	Older patients care
Patient Safety Audit	Q	29	Walter Twonyali Chuang (MBBS)	Kent and Medway NHS & Social Care	A clinical audit to assess Dartford Gravesham and Swanley Home Treatment Team's	Communication
Patient Safety Audit	G	12	Alice Worrall, Katherine Lister	King's College Hospital NHS Foundation Trust	Antibiotic Stewardship in the Orthopaedic Department at King's College Hospital	Medicines management
QI in Progress	K	148	Chi Ho Fung, Samiksha Choudhury	King's College Hospital NHS Trust	Improving Outcomes in COPD through the roles of Vitamin D and Azithromycin: A Quality	Improving care pathways
Patient Safety Audit	O - 1st Prize	108	Hira Hassan, Nishka Patel	King's College London	Improving online referrals to Parkinsons Nurse Specialists at East Kent Hospitals University	Flow and efficiency
Patient Safety Audit	F	274	E. Naccarato, H. Awarah, C. Eley, L.Dili	Kingsmill Hospital	A Clinical Audit of Same Day Discharges from New Patient Fracture Clinic at King's Mill Hospital	Improving care pathways
QI in Progress	E	226	Dr Ellinor Raby	Kingston Hospital	Identification of Vertebral Fractures to Prevent Future Fragility Fractures	Improving care pathways
Patient Safety Audit	R	233	Dr Ellinor Raby	Kingston Hospital	Abdominal X-rays in ED: assessing compliance with RCR iRefer Guidelines	Improving care pathways
Patient Safety	N	99	Dr Wen Yi Mah	Lancashire Teaching Hospitals NHS FT	Pain Management in Children Following RCEM National Audit	Children and young people
Patient Safety	R - 2nd Place	101	Mr Ayush Sinha, Dr Liam Roach, Dr Jaiesh Lilla	Lancs Teaching Hospitals NHS FT	The use of Chaperones in Urology Outpatient Clinics	Chaperones
Full QIP	A	299	Dr Lily Giles	Leeds Teaching Hospital Trust	Safe Surgical Handovers: The Importance of Date of Admission	Handover
Patient Safety Audit	N	72	Adam January, Georgia Barnes, Laura Owen	Leeds Teaching Hospitals NHS Trust	Improving surveillance of intracranial aneurysms following endovascular neuro-interventional	Improving care pathways
QI in Progress	L	199	Dr Evlie Manford	Leeds Teaching Hospitals NHS Trust	SLGT2 inhibitors and Sick Day Rules – a Quality Improvement Project	Medicines management
Full QIP	A	278	Tracey Hawksworth, Claire Catterill	Leeds Teaching Hospitals Trust	"Empty Plates Not Empty Stomachs" - a QI project to improve patient experience of meal	Flow and efficiency
QI in Progress	H - 1st Prize	276	Katy Mallender-Ward	Leeds Teaching Hospitals Trust	Using the Leeds Improvement Method to improve the investigation of Health Care Associated	Improving care pathways
QI in Progress	K	285	Elfie Astbury and Sarah Kehoe	Leeds Teaching Hospitals Trust	Introducing and Embedding Share Decision Making at LeedsTeaching Hospitals Trust	Shared decision-making
Full QIP	I - 2nd Place	89	Soo Young Baik, Yazmin Bakhtiar	Leeds Teaching Hospitals Trust	Introducing the Psoriatic Epidemiology Screening Tool to Screen for Psoriatic Arthritis in	Primary care
Full QIP	I	165	Holly Mould	Liverpool University Hospitals NHS Foundation	Improving antibiotic prescribing in an acute medical unit	Medicines management
QI in Progress	C	43	Maleeha Malik, Hemant Kumar	Manchester University Foundation Trust	Improving trainee satisfaction and patient safety through access to clinical equipment	Primary care
QI in Progress	H	39	Benoit Jauniaux	Manchester University NHS Foundation Trust	Improving communication in the pre-operative preparation of cardiac surgery patients: A	Communication
QI in Progress	L	181	Dr Jeffrey Millan, Dr John Daikpor, Dr Luxia	Mersey and West Lancashire Teaching	Prevention of Hospital Acquired Pressure Ulcers	Improving care pathways
QI in Progress	H	130	Dr Opeoluwa Siwoniku, Dr Sally Arnold	Midlands Partnership Foundation Trust	A QI Project to improve the quality of Electroconvulsive Therapy (ECT) training for core	Education and training
QI in Progress	E	315	Dr Roz Beckett, Dr Jess Henry	Musgrove Park Hospital	Promoting "Gloves Off" in Critical Care, in a District General Hospital	Critical care
Patient Safety Audit	O	183	Alannah Ball-Wood	Musgrove Park Hospital Somerset Foundation	Improving the quality of vascular operation notes: a single centre closed audit	Emergency care and surgery
Patient Safety Audit	R - 1st Prize	202	Mary Claxton, Vignesh Gopalan	Musgrove Park Hospital, Somerset NHS Trust	Rub Don't Scrub - Promoting Use of Alcohol-Based Hand Decontamination in Surgery	Emergency care and surgery
QI in Progress	L	190	Dr Nisha Thankachalam	New Cross Hospital	Time and motion analysis of inpatient device implantations at New Cross Hospital	Flow and efficiency
QI in Progress	H	263	Dr Shakira Cosier	Nexham University Hospital	Going electric: achieving out-of-hours patient safety through electronic handover in the	Handover
Patient Safety Audit	M	272	Sut Mo Zachary Chan	NHS Tayside	Audit of CA125 monitoring adherence in ovarian cancer patients undergoing SACT	Improving care pathways
QI in Progress	J	252	Miss Joanna Ting, Miss Sanjana Ilangovan	Norfolk and Norwich University Hospitals NHS	Designing and Improving a Webinar Series for CST Application: a QIP	Education and training
QI in Progress	E	119	Dr Morgan Rayner-Phillipson	North Bristol Hospitals Trust	RELOAD - IT 2023 Recognition of Loading Of extended dose Antibiotic Drug	Medicines management
QI in Progress	D	83	Dr Varshini Vijayakumar and Dr Sophia Bashir	North Bristol NHS Trust	Auditing naloxone prescription with opioids in Care of the Elderly	Medicines management
Full QIP	B	10	Dr Matthew Clarke	North Bristol Trust	Homelessness in the ED: Fulfilling our Statutory Duty to Refer	Duty to refer
QI in Progress	L	317	Christopher Vaz	North Bristol Trust	Improving allergy status documentation on electronic hospital system that is visible trust wide	Medicines management
Patient Safety Audit	R	120	Zaynab Janjua	North Devon District Hospital	How often is the position of NGT on X-ray documented in patient's notes?	Documentation
Full QIP	I	193	Felix Miller-Molloy	North Devon District Hospital	The use of simulation to prepare F1 doctors and medical students for their first medical on-call	Education and training
Patient Safety Audit	P	324	Dr Matthew McFegan	North Devon District Hospital	Review of analgesia prescription for elective hip and knee patients as part of the Enhanced	Improving care pathways
Patient Safety Audit	P	288	Dr Talia Barry	north middlesex hospital	Raising engagement with safety in a busy emergency department	Improving care pathways
QI in Progress	H - 2nd Place	65	Dr Kaustubh Patil	North Middlesex University Hospital	Radiation Exposure Infographic - Empowering safer scans	Education and training
Full QIP	I	191	Haseeb Syed	North Middlesex University Hospital	Audit of Distal Femur and Pathological fractures	Education and training
QI in Progress	J - 2nd Place	136	Georgiana Sipanu	North Middlesex University Hospital	Normothermia day: Improving admission normothermia in premature babies.	Education and training
Patient Safety Audit	Q	95	Dr Bethan Samuel	North Middlesex University Hospital	Improving referrals for CT trauma series in a DGH	Emergency care and surgery
Patient Safety Audit	R	256	Dr George Riding	North Middlesex University Hospital	Improving the documentation rates of ASA grades in elective general surgery operations at	Emergency care and surgery
Patient Safety Audit	F	105	Daniel Franco	North Middlesex University Hospital	Implementing Wellbeing Support in the NICU: Fostering a Culture of Care for New	Healthcare professional wellbeing
Patient Safety Audit	N	273	Vittorio Decaro	North Middlesex University Hospital	North Middlesex University Hospital Initial Audit for Emergency Department Silver Trauma QIP	Older patients care
QI in Progress	E - 2nd Place	78	Dr Alice Buckley	North Middlesex University Hospital	A Poster to Show the Effect of a Resus Induction Booklet on Junior Doctors' Ability to Deliver	Education and training
QI in Progress	H	137	Dr Priyankaran Mithrakumar (MBBS, MRes)	Northampton General Hospital	Improving the benchmarking of clinician antibiotic prescribing for UTI in patients > 65	Older patients care
Patient Safety Audit	N	254	Danial Ghafoor	Northern Care Alliance	Improving the Management of Familial Hypercholesterolemia Patients at Firswh Health	Primary care
