Raids - Helliquary and Demonic Remains

	Edit	Calc CR	Miss CR
Helliquary CR (total as shown in-game)	2464		434
Helliquary rank (upgraded rank)	41	364	406
Max demonic remains CR for paragon		2128	
Your sealed demonic remains		2100	28

Legendary Gems

	Edit		
Total CR from all of your legendary gems:	166		

Warband - Ancestral Tableau

	Edit	Calc CR	Miss CR
Ancestral Tableau CR (from in-game)	1064		476
Multiplier (if none, enter 100)	300%		
Server Ancestral Tableau (90%)	1260	1260	
Server Ancestral Tableau (enter either)		1400	
Practical limit		1540	
Your base Ancestral Tableau CR		355	

Note: you can find your **Server Ancestral Tableau** amount by opening the Warband screen from the game's menu. Tap the square details button next to **Ancestral Tableau**, which will give you a pop-up window with the tableau's details with stats you're granted from your upgrades (and a button to upgrade it further). In this popup-window is a little (i) info button. Click it to view the server's average tableau info and any multiplier you may be receiving.
