| Test Steps | 1. Launch the browser application and navigate to the provided url.
2. Locate the list of mosques that are displayed or accessible for selection.
3. For each mosque in the list, perform the following steps:
a. Click on the mosque name or its associated element.
b. Observe the page's URL or content to determine if it has been redirected to the correct mosque.
c. Check if the selected mosque is visually highlighted or marked as active.
d. Click the "Back" button or navigate to the mosque selection page.
4. Repeat step 3 for all mosques in the list. | Expected Result | 1. Each mosque should be clickable.
2. When clicked, the application should correctly redirect to the corresponding mosque.
3. The selected mosque should be visually indicated as active.
4. Mosque name and address should also be visible at the end of the url.
5. Navigating back from a mosque should return to the mosque selection page. | | | | | | |

The target page must be open.	Step 1	Open test webpage	https://prayersconnect.com/mosques/search/Bayonne%252C%2520Nouvelle-Aquitaine%252C%2520France/43.4929491%2C-1.4748411%2C43.4929491%2C-1.474841	1. The web page should load without errors. 2. The list of mosques should be displayed accurately. 3. Clicking on a mosque should navigate to a detailed page for that mosque.	1. The web page should load without errors. 2. The list of mosques should be displayed accurately. 3. Clicking on a mosque should navigate to a detailed page for that mosque.	Pass	
						Step 2	Click on "Masjid Al Huda"		It should take me to "Masjid Al Huda" page where all funtionality such as (Prayer Schedule, Mosque Facilities,About the Mosque,Location of the mosque on the map,TV Mode And Donate)should be present and visiable to all.	"Masjid Al Huda" page is displayed and all the functionality of the page is also visiable.	Pass	
						Step 3	Click to all the clickable feature of "Masjid Al Huda" page.		All the clickable feature should be working and clicking on that function will lead the user to the desired location.	All clickable function are working Properly	Pass	
						Step 4	Click back		It should redirect to the previous page	I am being redirected to the previous page	Pass	
						Step 5	Click on "Alhuda Mosque"		It should take me to "Alhuda Mosque" page where all funtionality such as (Prayer Schedule,Mosque Facilities, About the Mosque,Location of the mosque on the map,TV Mode And Donate)should be present and visiable to all.	"Alhuda Mosque" page is displayed and all the functionality of the page is also visiable.	Pass	
						Step 6	Click to all the clickable feature of "Alhuda Mosque" page.		All the clickable feature should be working and clicking on that function will lead the user to the desired location.	All clickable function are working Properly	Pass	
						Step 7	Click back		It should redirect to the previous page	I am being redirected to the previous page	Pass	
						Step 8	Click on "Hazrat Shahjalal Latifia Cultural Center"		It should take me to "Hazrat Shahjalal Latifia Cultural Center" page where all funtionality such as (Prayer Schedule,Mosque Facilities,About the Mosque, Location of the mosque on the map,TV Mode And Donate) should be present and visiable to all.	"Hazrat Shahjalal Latifia Cultural Center" page is displayed and all the functionality of the page is also visiable.	Pass	
						Step 9	Click to all the clickable feature of "Hazrat Shahjalal Latifia Cultural Center" page.		All the clickable feature should be working and clicking on that function will lead the user to the desired location.	All clickable function are working Properly	Pass	
						Step 10	Click back		It should redirect to the previous page	I am being redirected to the previous page	Pass	
						Step 11	Click on "Lavapies Mosque"		It should take me to "Lavapies Mosque" page where all funtionality such as (Prayer Schedule,Mosque Facilities, About the Mosque,Location of the mosque on the map,TV Mode And Donate)should be present and visiable to all.	"Lavapies Mosque" page is displayed and all the functionality of the page is also visiable.	Pass	
						Step 12	Click to all the clickable feature of "Lavapies Mosque" page.		All the clickable feature should be working and clicking on that function will lead the user to the desired location.	All clickable function are working Properly	Pass	
						Step 13	Click back		It should redirect to the previous page	I am being redirected to the previous page	Pass	
						Step 14	Click on "Baitul Mukarram Masjid"		It should take me to "Baitul Mukarram Masjid" page where all funtionality such as (Prayer Schedule,Mosque Facilities, About the Mosque,Location of the mosque on the map,TV Mode And Donate)should be present and visiable to all.	"Baitul Mukarram Masjid" page is displayed and all the functionality of the page is also visiable.	Pass	
						Step 15	Click to all the clickable feature of "Baitul Mukarram Masjid" page.		All the clickable feature should be working and clicking on that function will lead the user to the desired location.	All clickable function are working Properly	Pass	
						Step 16	Click back		It should redirect to the previous page	I am being redirected to the previous page	Pass	
						Step 17	Click on "Masjid Arrisala"		It should take me to "Masjid Arrisala" page where all funtionality such as (Prayer Schedule,Mosque Facilities, About the Mosque,Location of the mosque on the map,TV Mode And Donate)should be present and visiable to all	"Masjid Arrisala" page is displayed and all the functionality of the page is also visiable.	Pass	
						Step 18	Click to all the clickable feature of "Masjid Arrisala" page.		All the clickable feature should be working and clicking on that function will lead the user to the desired location.	All clickable function are working Properly	Pass	
						Step 19	Click back		It should redirect to the previous page	I am being redirected to the previous page	Pass	
						Step 20	Click on "Usera Guinea Conakry Mosque"		It should take me to "Usera Guinea Conakry Mosque" page where all funtionality such as (Prayer Schedule,Mosque Facilities,About the Mosque, Location of the mosque on the map,TV Mode And Donate) should be present and visiable to all.	"Usera Guinea Conakry Mosque" page is displayed and all the functionality of the page is also visiable.	Pass	
						Step 21	Click to all the clickable feature of "Usera Guinea Conakry Mosque" page.		All the clickable feature should be working and clicking on that function will lead the user to the desired location.	All clickable function are working Properly	Pass	
						Step 22	Click back		It should redirect to the previous page	I am being redirected to the previous page	Pass	
						Step 23	Click on "Dar-us-Salam Islamic Cultural Center"		It should take me to "Dar-us-Salam Islamic Cultural Center" page where all funtionality such as (Prayer Schedule,Mosque Facilities,About the Mosque, Location of the mosque on the map,TV Mode And Donate) should be present and visiable to all.	"Dar-us-Salam Islamic Cultural Center page is displayed and all the functionality of the page is also visiable.	Pass	
						Step 24	Click to all the clickable feature of "Dar-us-Salam Islamic Cultural Center" page.		All the clickable feature should be working and clicking on that function will lead the user to the desired location.	All clickable function are working Properly	Pass	
						Step 25	Click back		It should redirect to the previous page	I am being redirected to the previous page	Pass	
						Step 26	Click on "Al-Umma Islamic Community of Puente de Vallecas"		It should take me to "Al-Umma Islamic Community of Puente de Vallecas" page where all funtionality such as (Prayer Schedule,Mosque Facilities, About the Mosque,Location of the mosque on the map,TV Mode And Donate)should be present and visiable to all.	"Al-Umma Islamic Community of Puente de Vallecas" page is displayed and all the functionality of the page is also visiable.	Pass	
						Step 27	Click to all the clickable feature of "Al-Umma Islamic Community of Puente de Vallecas" page.		All the clickable feature should be working and clicking on that function will lead the user to the desired location.	All clickable function are working Properly	Pass	
						Step 28	Click back		It should redirect to the previous page	I am being redirected to the previous page	Pass	
						Step 29	Click on "Islamic Community of Lucero"		It should take me to "Islamic Community of Lucero" page where all funtionality such as (Prayer Schedule,Mosque Facilities,About the Mosque, Location of the mosque on the map,TV Mode And Donate) should be present and visiable to all.	"Islamic Community of Lucero" page is displayed and all the functionality of the page is also visiable.	Pass	
						Step 30	Click to all the clickable feature of "Islamic Community of Lucero" page.		All the clickable feature should be working and clicking on that function will lead the user to the desired location.	All clickable function are working Properly	Pass	
						Step 31	Click back		It should redirect to the previous page	I am being redirected to the previous page	Pass	
						Step 32	Click on "Masjid La Union"		It should take me to "Masjid La Union" page where all funtionality such as (Prayer Schedule, Mosque Facilities,About the Mosque,Location of the mosque on the map,TV Mode And Donate)should be present and visiable to all.	"Masjid La Union" page is displayed and all the functionality of the page is also visiable.	Pass	

							Step 33	Click to all the clickable feature of "Masjid La Union" page.	All the clickable feature should be working and clicking on that function will lead the user to the desired location.	All clickable function are working Properly	Pass											
							Step 34	Click back	It should redirect to the previous page	I am being redirected to the previous page	Pass											
							Step 35	Click on "Islamic Community of Vallecas"	It should take me to "Islamic Community of Vallecas" page where all funtionality such as (Prayer Schedule,Mosque Facilities,About the Mosque, Location of the mosque on the map,TV Mode And Donate) should be present and visiable to all.	"Islamic Community of Vallecas" page is displayed and all the functionality of the page is also visiable.	Pass											
							Step 36	Click to all the clickable feature of "Islamic Community of Vallecas" page.	All the clickable feature should be working and clicking on that function will lead the user to the desired location.	All clickable function are working Properly	Pass											
							Step 37	Click back	It should redirect to the previous page	I am being redirected to the Pass previous page	Pass											
							Step 38	Click on "Madrid Central Mosque"	It should take me to "Madrid Central Mosque" page where all functionality such as (Prayer Schedule,Mosque Facilities, About the Mosque,Location of the mosque on the map,TV Mode And Donate)should be present and visiable to all.	"Madrid Central Mosque" page is displayed and all the functionality of the page is also visiable.	Pass											
							Step 39	Click to all the clickable feature of "Madrid Central Mosque" page.	All the clickable feature should be working and clicking on that function will lead the user to the desired location.	All clickable function are working Properly	Pass											
							Step 40	Click back	It should redirect to the previous page	I am being redirected to the Pass previous page	Pass											
							Step 41	Click on "King Fahad Mosque"	It should take me to "King Fahad Mosque" page where all funtionality such as (Prayer Schedule,Mosque Facilities, About the Mosque,Location of the mosque on the map,TV Mode And Donate)should be present and visiable to all.
