1	Program	Communication Method	Post-Interview Communication	Comments	Comments	Comments	Comments	Comments	Comments
example 1	Best Pathology Program	Phone Call	PD called and said i'm ranked to match! -> Congrats! Can you please let us know when you got the call and how long after your interview was it?	Congrats! Excited for you.	These are the types of post-interview communications I'm most interested in	do programs really phone applicants? < some do, on match day << have heard about RTM phone calls from friends in other specialties, maybe path PDs are too introverted for phone calls	I got a RTM phone call from a PD this cycle, not listed on this sheet > list it, then		
example 2	Second Best Pathology Program	Email	Said "impressed with your application" and "you will be ranked highly"	I got the same email. Might be generic. +6	I didn't get this email. +7	Maybe they sent it to the top half of the rank list?	Do they expect people to email them back?
