Ouroboros	The Origin of Desire	4/18/2019	4:30 PM	5:15 PM	Georgia 13	Why does the sound of a belt being quickly removed flood your basement? What is it about being spanked that tickles your pickle? Prominent thinkers have considered the question of where human desire comes from, and yet the jury is still out. For members of sexual minorities, this question is important since our desires are subject to stigma and social control. In this session we'll review some perspectives on where desires come from, and share our own stories to make sense of this mystery.
LaDonna Allison	Googleable --- You've been Porned	4/18/2019	4:30 PM	5:15 PM	Georgia 9	Says LaDonna, "If we hide our nudity, our nudity will always be hidden."
