StrictDave	Spanking Punishment Court	4/19/2019	9:00 PM	11:00 PM	Savannah 2/3	<p>Have a grievance to be settled? Curious about it and want to know more? Just want to come and watch?</p> <p>Frolicon Corporal Punishment Court is a light-hearted, just-for-fun way to seek justice against your friends. If someone has wronged you in some (not overly serious) way, then this is your chance to see that they get their comeuppance. This event is a LOT of fun, both for spectators and for participants. It is all about having fun, lots of laughs, and some well-deserved corporal punishment administered on the spot to willing, guilty parties. A quick rundown of the rules Anyone may charge anyone: tops, bottoms, men, women -- doesn't matter. Plaintiffs and defendants will come up one at a time to plead their cases I will render an absolutely impartial judgement to the very best of my ability (no, really!) Bottoms or switches who are found guilty (and who are willing to receive CP) will generally have penalty swats administered on the spot; they may also be sentenced to give a nominal amount of personal service time to the plaintiff. Tops who are found guilty will be sentenced to give personal service time only, of course--no swats. The big twist -- If you charge someone with something and lose your case, the penalties will rebound on YOU This is a no-pressure event! I only want to have people on the stand who are willing to be there, and I'll only have on the spanking bench those who are willing to be there. Also, the corporal punishment is more for fun than anything, so don't be (too) nervous about it. For more details or to file a CP Court charge, click here on any device: <a href="http://bit.ly/froliconcourt">http://bit.ly/froliconcourt</a> Regardless of whether or not you are part of a case, please come and watch the fun!</p>

	Fist Off 2: No Holes Barred	4/20/2019	7:00 PM	9:00 PM	Georgia 13	Last year, Dr. D and Learcifer Fistington gave you a peek into the intricate and messy world of competitive fisting with the inaugural Fist Off tournament. The two masters with their different styles and techniques created an event that was so well attended and memorable that we were invited back to make it an official event this year. This means more of everything! For those that missed Fist Off 2018 and have no clue what this is, this is what we are talking about: Two Fisters in a fisting battle to prove which is the better Fister of the two. Each table comes with a Time/Record Keeper and a Lube Dispenser. The Fisters are given five minutes each to show off their fisting skills. The winner is chosen by the Fistee. Fistees are blindfolded with noise canceling headphones, so that the judging is based solely on the fisting technique. (There are rules! Come by to see it all!)
