The Wizard of Oz (Standard Version)		Glinda
The Wizard of Oz (2011)	Wizard	Glinda, Wicked Witch

Roles are listed by the gender assigned in the script and/or by casting traditions. Award nominations are assigned by the gender identity of the person playing the part. That means a female playing the role of Pinocchio in Shrek the Musical would be nominated for a Best Supporting Actress Award, regardless of whether she played the character as a boy or as a girl. This list will evolve.

Teachers who wish to nominate students for best supporting actor or actress awards should complete our nomination form.
