OF									60 Time	Exit Velocity	Positional Arm
8	2020	Erik	Charnetski	5_10	190	R/R	Elmira-Notre Dame	Athletic build standing 5-foot-10, 190-pounds and ran a 7.29 60-yard dash with evidence he can lower that time. Gets body behind the ball and is aggressive on his throws, uses his lower half to help get carry on the ball, strong arm at 84 mph. At the plate: Loads up on his back leg and explodes through the zone on a slightly inclined barrel plane, compact path, above average balance at the plate, power projection with a 91 mph exit velo, crushed a HR to LF at Binghamton University.	7.29	91	84
14	2019	Zachary	LaPlante	6_0	160	L/L	Kenmore West	Above Average build, lean frame standing 6-foot-0, 160 with time to add weight. Attacks the ball, body stays behind the ball, whippy arm action, some carry on the ball at 81 mph from the OF. Slightly open stance in the box with a balanced approach at the plate. At times front shoulder pulls out, when he's short and direct to the ball there's some pull-side juice, quick hands, quiet lower half, 83 mph exit velo.	7.38	83	81
17	2019	Jack	Migliore	6_0	187	R/R	Hamburg	Above average frame, athletic build, ran an impressive 6.7 60-yard dash, very toolsy player. Aggressive defensively, clean glove transfer, arm-action is easy and clean, above average arm strength, with carry to the bag. Slight open stance at the plate. Quick hands and above average plate coverage, compact and direct to ball. Repeats the swing path with low effort but power results. 96 mph exit velo. Big Frame on the mound, very balanced in delivery. Peak FB: 80, FB: 75-77, CB: 64-66.	6.7	96	85
18	2019	Vincent	Stutz	5_10	185	R/R	Lancaster	Strong looking frame, moves well enough for the position, fields off to his glove side, arm strength of 80 mph from the OF, quick arm action. At the plate he uses an open stance, quiet hands, with a slight toe tap. Gets bat head down on the ball on a short path. Above average bat speed with an exit velo of 91 mph.	7.31	91	80
MIF									60 Time	Exit Velocity	Positional Arm
6	2019	Brendan	May	6-2	175	R/R	McGraw	Well built, passed the eye test, has raw but noticable actions defensivley, has athletic movements evidenced from his 6.68 60 yard dash. Arm action is clean and strong across the diamond at 80 mph with plenty more in the tank. Hit's the from the left-side, there's strenght and bat-speed present, just a little hesitant to let it loose, once he fully commits he will be a very good next-level player.	6.86	89	80
1	2019	Cole	Laskowski	5_6	140	L/R	St. Mary's	Smaller build but shows strength in his frame. Quick actions. Body has control and rhythm. Average arm strength at 72 mph but release is quick. In the box he's relaxed, fluid to the ball, swing path is compact and direct, finds barrel consistently.. Sprays ball to all fields. 85 mph exit velo off a tee.	7.62	85	72
7	2020	Chris	Goyette	5_11	180	L/R	Medina	5-foot-10, 180 with a stocky build, defensively his actions are skilled and practiced, glove is open with a clean funnel, long arm path on throws, 74 mph arm-strenght.. Relaxed in the box, has confidence with the bat, loose hands, hard contact, some juice to pull-side, let's the ball travel, 83 mph exit velo.	8.16	83	74
9	2020	Connor	Eisenmann	6_0	145	R/R	Frontier Senior	Well built, athletic looking prospect, ran a 7.42 60. Defensivley his actions are mechanically sound, gets the ball out of his glove cleanly, fluid arm to the bag. Simple approach in the box, slight stride, shows some power potential especially once he matures. 83 mph exit velo from a level barrel plane.	7.42	83	70

7	2020	Chris	Goyette	5_11	180	L/R	Medina	Solid build. Arm slot is mid-high slot. Arm is long and wraps down/behind body. Arm is loose. CB has tight spin and 10/4 shape. FB shows some late run. Tends to fly open quick at times. Large hand break creates some deception for hitters by hiding with glove side. Flows down the mound well. Increased arm strength will help.	78	75-77	65-68		
9	2020	Connor	Eisenmann	6_0	145	R/R	Frontier Senior	Slender frame with wiry features. High leg kick with a fluid motion downhill. Shows a long take away with good loose feel. Finishes in a balanced position that works over the front knee. Tends to get some lower back leg drive. FB has average arm side run. Has deceptive tendencies with some late life on his FB. Velo will improve with increased physical strength. CB has late drop 12/6 action when he finishes the pitch.	82	77-81	62-64	73-74	
10	2020	Elliot	Widenor	6_1	170	L/L	St. Joseph's	Wide frame with long arms and room for added strength. Wide shoulders. Simple delivery. Long arm action with smooth tempo as he throws. Low 3/4 release point creates good run/sink on his FB. CB and CH should both develop into quality pitches. Will be especially tough match-up for left-handed hitters.	82	77-81	62-66		
11	2020	Kalvin	Reinosa	5_9	160	R/R	Grand Street Campus	Lean, athletic frame from a 3/4 slot. Up tempo delivery with some late arm side life to the FB. Flashed a 10-to-4 CB that alternated between CB/Slurve action. Free and easy arm that will continue to add velocity. Mixed one change up at 70 MPH.	84	81-84	68-69	70-71	
16	2019	Thomas	Peltier	6_2	160	L/L	Niagara Wheatfield	Upper 3/4 arm slot, generates power with great lower half push off and long strike to the plate, follows through well. High potential and a great projectable LHP.	82	78-81	CB: 66-68 SL: 71-75		
18	2019	Vincent	Stutz	5_10	185	R/R	Lancaster	Mid 3/4 arm slot, tight leg kick in wind up, loose arm with late snap on 2 Seam FB.	78	77-78	67-68	68-70	
21	2019	Charlie	Bruning	6_2	230	R/R	Royalton-Hartland	Strong and sturdy frame with a simple delivery. Good tempo/pace to his leg lift and stride. Stays in his legs well. Short arm action that allows him to keep his arm on time with his lower half.	84	80-83	66-70
