OF								60 Time		Exit Velocity	Positional Arm	
1	2019	Sam	Allen	5_5	140	R/R	Oswego	6.78 Small Frame, compact build, very athletic evidenced by his 6.78 60-yard dash time. Strong accurate arm strength (79 mph), uses his body well behind his throws. Slightly open stance in the box, aggressive hip rotation, quiet load, quick powerful hands, generates a ton of bat-speed (90 mph). above average plate coverage in games.	90	79		
7	2019	CJ	Latham	5_11	155	L/R	Shenendehowa	7.39 Average frame, lean build standing 5-foot-11, 155-pounds. Above average arm from the OF with carry to the bag, uses a long 3/4 arm path on throws. Relaxed setup in the box, slight leg kick, consistent timing, average bat speed (80) that should improve as he adds strength. Uses a high finish after contact.	80	80		
11	2020	Holden	Lazarus	6_0	185	R/R	Ithaca	6.37 Above average frame, athletic build, build like a college football running back, ran an impressive 6.37 60-yard dash. Above average arm from the OF (88 mph), quick arm action, with carry to the plate. Agile in the OF, glides to balls, natural reads. In the box he's uses a wide, open stance, very quick loose hands, compact and strong creating 99 mph bat speed, great hands. Explosive through the zone. High level player to follow.	99	88		
15	2019	Joe	Comins	6_0	165	L/R	West Genesee	6.89 Above average frame, lean and athletic evidenced by his 6.89 60-yard dash time. Plus throwing arm from the OF with carry (85 mph), long arm action. Explosive with his lower half on throws. Hunched over stance in the box. Aggressive to his pull-side, at times his barrel pulls off with his front shoulder and hip. Shows a mostly level barrel plane with strong hands (85 mph exit velo). Player to follow.	85	85		
MIF								60 Time		Exit Velocity	Positional Arm	
3	2020	Joe	Wike	5_7	155	R/R	Bishop Grimes	7.72 Short build standing 5-foot-7, 155-pounds, ran a 7.72 60-yard dash. Arm action is compact, quick release, throws show carry to the bag, all-around solid defensive actions. Offensively, contact hitter approach, relaxed, lets the ball travel, finds the barrel consistent. Impressive bat-speed (84 mph) for his size and expect that number to increase as he gets older and more mature.	84	73		
4	2020	Kobe	Stenson	5_7	145	R/R	Liverpool	7.29 Stands 5-foot-7, 150-pounds with an athletic appearance. Ran a 7.29 60 yard dash. Defensively, very smooth and fluid actions. Everything is clean and easy. Carry on the arm strength, quick release, multi-arm slot ability. Active lower half through the ball. Offensively it's a very simple easy approach, slight incline to his fluid bat path loose hands. Line drive approach, above average rhythm and balance. High level overall player from CNY.	82	81		
8	2019	Sean	O'Connor	6_2	170	L/R	Fayetteville-Manlius	6.78 Stands 6-foot-2, 170-pounds, appearance is big and physical, frame projects to add strength. Actions are strong up the middle, glove is clean, arm is strong (83 mph) release is fast. Offensively, some lift in swing to his pullside, barrel has a slight inclined path. Bat-speed is loose and easy. Very good looking prospect from CNY.	83	81		
10	2019	Blake	VanDreason	6_0	180	R/R	Vernon-Verona-Sherrill	7 6-foot-0, 180-pounds and well built, projectable frame. Smooth actions, has really improved over the last few times we have seen him, a great sign of his work ethic. Clean fluid arm with 79 mph arm strength. Solid body control. Offensively he's relaxed in the box, easy line drive approach. Gap to gap power with 90 mph exit velo off a tee. Overall balance and extension. Natural feel for hitting	90	79		
Catchers								60 Time		Exit Velocity	Positional Arm	Pop Time Range
5	2021	Anthony	Febo	5_8	160	R/R	Carmel	7.99 5-foot-8, 160-pounds with a durable frame especially for his age. Average footwork defensively, long arm action, current arm strength is 70 mph but there's clear signs of more to come, registered a 2.14 pop time in the workout, very sound defensively. Slightly open stance in the box, drops hands to the ball with some lift in the swing, bat-speed was 80 mph and there is more to come. Nice looking 2021 to follow.	80	70	2.14-2.19	
20	2019	Spencer	John	6_3	185	R/R	Romulus	7.45 Stands 6-foot-3, 185-pounds with great size behind the plate. Wide base defensively, soft hands. Long arm and release producing a 2.13 pop-time with 69 mph arm-strength, High 3/4 arm-slot. Slightly open stance in the box offensively, shows above average balance, consistent contact, Smooth take away and power potential (87 mph exit), gap-gap type hitter.	87	69	2.13-2.25	
3B								60 Time		Exit Velocity	Positional Arm	
6	2019	Aaron	Simons	5_10	170	L/R	Rome Free Academy	7.6 Good frame and size standing 5-foot-10, 170pounds.. Movements defensively are fluid, longer arm action, average release with 74 mph arm-strength across the diamond. Offensively, long swing path to the ball, with good leverage through contact, 86 mph exit velo. Hands work away from body occasionally. Shows consistent solid contact.	86	74		
18	2020	Patrick	Sherron	5_10	185	R/R	Rush-Henrietta	7.73 Moves well but actions get long. Ball has good carry on throws. Sure handed. Swing gets level through the zone. Needs to make sure he keeps hands inside the ball and doesn't roll over too soon after contact.	86	76		
21	2019	Jacob	Coleman	6_2	186	R/R	Auburn	7.69 Projectable size for corner infield standing 6-foot-2, 190-pounds. Simple actions and movements defensively, short arm-action with 70 mph arm-strength. Offensively, hands get to the zone quickly, compact, 80 mph off a tee. Needs to stay extended longer after contact on his finish. No wasted movement in the box showing overall balance.	80	70

TEAM 4

#	Grad	First Name	Last Name	HT	WT	B/T	High School	Comments	Measurable Statistics			
19	2020	Tyler	Jennings	6_4	180	R/R	Liverpool	7.57 Tall slender build standing 6-foot-4, 180-pounds with signs of more physical gains ahead. Defensively his footwork around the bag is average, open glove out in front, quick arm action, attacks the ball with aveggressiveness. In the box he uses high hands, great balance, solid contact, fluid barrel path creating 88 mph exit velo, semi high finish, power projection.	88	70		
22	2019	Gavin	Leahy	6_2	245	R/R	West Genesee	8.16 Large body frame at 6-foot-2, 225-pounds and ran a 8.16 60-yard dash. Defensively he stays behind the ball, average transfer, uses a high 3/4 arm action with 72 mph arm-action, in the box he uses a long take away, quiet lower half, high hands, very strong compact with next-level bat-speed (96 mph), more pull-side power in BP, loud contact.	96	72		
		P						Peak FB	FB Range	CB/SL Range	CH Range	Other
2	2020	Austin	Wainer	5_8	145	R/R	Somers	81 Athletic frame with long limbs for his size. Energy on the mound and a competitive demeanor. Slow and smooth tempo to balance point. Generates leverage with a lower half push and hip rotation. Ball comes out of his hand easy and gets on hitters faster than expected. FB shows late life and run with quick arm. Finishes well over front knee and stays in line down the mound. Tends to short arm the ball and not get arm fully extended. Smooth beginning then uses alot of energy moving down the mound. CB/SLD shows tight spin and good cross action movement.	77-79	69-71		
10	2019	Blake	VanDreason	6_0	180	R/R	Vernon-Verona-Sherrill	80 Lean and athletic with smooth mechanics. Loose arm action with a low 3/4 release point. Fastball has good arm side run. Change up shows arm side sink and is consistent in the strike zone. Good body presence on the mound working quickly and fielding position well.	78-79	66-68	69-70	
11	2020	Holden	Lazarus	6_0	185	R/R	Ithaca	84 Lean athletic frame with smooth machines and a clean arm swing. Features a mid 3/4 release point with good lower body strength and body awareness. Projectable body with upside.	82-84	66-69		
12	2019	Jack	Gordon	6_1	180	R/R	West Genesee	80 Athletic build with strong lower body. Mid 3/4 release point with good repeatable mechanics. Fastball shows late life with effective secondary pitches. Change up sinks arm side while curve ball shows tight cross plate spin.	76-78	69-71	66-68	
13	2020	Jacob	Sanders	6_1	185	R/R	Auburn	84 Big body with good control of his actions. The frame should be able to handle more weight as he gets stronger. Stays in his legs well throughout his delivery. Arm actions is long at hand break but shortens up and gets quicker as he delivers the pitch. Good tempo in everything he does with low effort. FB is at it's best when he gets it low and away to his glove side. Has good feel for his CB and throws it wth good hand speed.	80-83	69-72		
14	2019	Dominic	Schmidt	6_0	180	L/L	Kenmore West	81 Polished lefty with a consistent 2-pitch mix. Has a high 3/4 arm slot that he uses to generate good downward plane. Slow and deliberate tempo to his delivery causes the ball to jump on hitter's out of his hand. Uses lower half well to create good leverage. FB is straight but he can move it all over the zone. CB has good depth and is equally tough on both RHH and LHH.	79-81	68-70		
18	2020	Patrick	Sherron	5_10	185	R/R	Rush-Henrietta	77 Solid athletic body frame. Steady tempo tends to look down at his feet then picks up target. Slight pause in the top of his leg lift but does not drop weight consistently on back leg. Minimal run on FB. Long arm take away into a mid-high 3/4 arm slot. Slightly wraps ball behind his head before strong explosion down the mound. CB has average spin and drop 11/5 action. Tends to open front shoulder quick leaving his arm dragging behind but has the corrective mentality.	75-76	61-64		
23	2019	Devyn	Fahnestock	6_2	240	R/R	Delaware Valley	86 Large frame with simple actions and a clean delivery. Good tempo and pace when he throws. Stays under control and accelerates his arm late. Keeps good direction going towards his catcher. 3/4 release point. FB has good life and he keeps it around the zone consistently. Breaking ball has sharp break and comes out of the hand easily. Overall he's big and smooth and understands how to attack hitters.	80-85	68-70
