Round 4 for the Osets was held at Brough and luckily the weather stayed fine this year!! There were a few challenging sections which everyone enjoyed and as always it was lovely to see so many supporters.

Well done to Tyler Atkinson for coming first on hard route, Max Perry on middle route and Leon Currie on easy route.

A special well done to Stanley Carr for winning the prize for effort on the day.

A big thank you goes to Joe and George Spivey and Holly for observing, your help is really appreciated.

The next trial is on Saturday 9th September (venue to be confirmed), see you all soon!
